Wednesday, April 3, 2024

Wednesday, May 1, 2024

4:30PM – 5:30PM

We strive to honor the Montessori methods of teaching by providing a place where children are free to discover, learn & grow at their own pace. Our trained and certified guides have over 50 years combined experience in a Montessori classroom. We believe that this holistic learning environment sets the foundation for children to grow up into lifelong learners and caring adults who are able to make a positive difference in the world.
